

Summer Institute

2019 Summer Institute Mind Brain Education The Science of Learning

26 and 27 June 2019
at ACS Cobham

A two-day deep dive into Mind, Brain, Education science and how this research can inform, validate, and transform teaching and learning. Purposefully designed for educators within all school settings, this workshop will develop educators' MBE knowledge, mindsets, and translational skills.

The institute will be led by Dr. Ian Kelleher and Glenn Whitman from The Center for Transformative Teaching & Learning at St. Andrew's Episcopal School, nr. Washington DC, USA, and authors of *Neuroteach: Brain Science and the Future of Education*
